Other Information

***The **Construction Completion Date** and **Property Purchase Date** are essential to complete a Depreciation Schedule. Based on the information supplied a quotation will be prepared to undertake the depreciation schedule. An estimate of costs will be given before the works are undertaken. If additional information needs to be sourced from the Local Council or other sources the client will be advised of these costs before being incurred. I the under signed do give permission for representatives from Big Sky depreciations to source information from the Local Council. The accuracy of the information supplied will be reflected in the accuracy of the report prepared.
